Sub:- States . Merged - Sandur -Land Revenue Collections - Dues on S.No.204 of Taranagari unauthorised Collection - Petition of Sri Nadikeri Komarappa Report - Submitted

I submit a copy of the petition dated 12-9-49 received from Sri Nadikeri Komarappa of Taranagari Village (Sandur State) wherein he threatened the Government with a suit.

A brief history of the case is as follows:-

S.No.204 of Taranagari Village is a State temple land (Inam) and it leased out from time to time by the erstwhile Sandur Government. An arrear lease amount of Rs.333-5-6 as detailed in the margin is due from this land and on 19-7-44 it was demanded from the petitioner (Sri N. Komarappa)

1933-34	56	0	0
1934-35	58	0	0
1936-37	30	8	0
1938-39	62	15	2
1940-41	62	15	2
1941-42	62	15	2
Total	333	5	6

by the Erstwhile Sandur Government. A distraint order was also issued on 17-8-44 of the attachment of his moveable properties, but it was not executed on the ground that the petitioner claimed to have paid some amounts. As it was reported on 23-12-48 that the defaulter (Petitioner) had no moveable properties, his house was notified for sale on 9-3-49 but the conduct of sale was stayed giving an opportunity to the defaulter to establish the fact that he was not in arrears. As he failed to do so, the house was brought to sale on 26-9-49 but there were no bidders. Again it was notified for resale on 13-10-49 along with his holding (Patta) S.No.56 but this time it was kept in abeyance pending the disposal of his petition dated 12-9-49.

3. The contention of the petitioner is that he had nothing to do with the Arrears due on the land from 1933 onward, as the land had leased out to somebody else after 1932. In his petition dated 12-9-49 he admitted that he had taken the land on lease during the period 1930-32.

4. The then Special Officer Sandur had reported that the State did not maintain any accounts of either the sums recovered from the lessees or the nature of the dues and that the Village Officers also had failed to keep any account in this regard. The temple office which kept the accounts, is reported to have been defunct from 1938 and that the records are with the Ruler's Huzur Secretary in the Palace. The Huzur Secretary was requested a no. of times from this office also to send the connected records but the Tahsildar Sandur has reported that he has not sent them. He further reports that it is very Doubtful whether the records called for are available with the Huzur Secretary and that all efforts to trace out the relavant lease deeds have proved futile.

5. The Tahsildar Sandur had conducted personal enquiries in Taranagari Village on 8-5-51 and found that there is no chance of securing material to support the demand. The occupation of the land it is reported has changed several hands, and as such ict cannot be proved that the petitioner (N.Komarappa) continued to be the lessee till 1942.

In the circumstances, explained above I request that the demand of Rs.333-5-6 being the arrear lease amount on the land (S.No.204 of Taranagari Village From 1933 to 1942 and the quantity of 24 seers of Cholam being the interest accrued thereon, may be ordered to be written off the accounts as irrecoverable in the absence of proof that the petitioner has been in possession and enjoyment of the land since the year 1933.

(True Copy).

Copy of petition dated 12-9-49.

The petitioner had cultivated the said land on lease in 1930, 1931 and 1932 years and has absolutely nothing to do with the said land after 1932 upto date.

p.t.o

The petitioner has a receipt for payment of rent for the land for 1930-1931 dated 19-4-1933 and the Government records also may bear out the said payment. After 1932, the lands were being leased out to somebody else. In the year 1943-44 it was leased to one Siddaramanagowd and he has paid land revenue. The said Siddaramanagowd Was given notice by Sri V.Prabhanna for Rs.119-4-0 on 19-6-49 and he is said to have paid the said amounts plus something more on 21-6-49.

While so, it is most surprising that the petitioner should be sought to be troubled when he had nothing to dow with the said land after 1932. The petitioner is not due anything to the Government by way of rent of the said Komaraswami land and even if he should be deemed to be due, there is absolutely no limitation to proceed against him and he is sought to be harassed.

Please therefore take notice that the petitioner is not at all liable to any extent to pay the Government regarding the rent of the said land of Taranagari belonging to Sandur State.

The petitioner prays that the proposed action may be completely dropped and he be assured of absence of any trouble to him within two months from the date of receipt of this notice failing which the petitioner will be constrained to go to a Court and at your expense which please Note.

(True Copy).

N.B. The petitioner has received an order from the Central Secretary Sandur dated 26-8-49 C.No.Rev.B.18/44-45 Asking him to appear before him and to make a statement with records. The petitioner will appear with records on any day fixed by the said Officer and intimated to the petitioner

2. As regards para 2 ~~of 2~~ I submit that the delay is purely due to the non receipt of the connected records from the Huzur Secretary to the Ruler of Sandur despite several reminders issued by the Tahsildar Sandur on 14-9-50,27-6-50, 8-7-50,20-7-50,9-3-51 and 9-4 51. With reference to the information regarding the date on which the petitioner took the land S.No.204 of Taranagari Village I submit that the Tahsildar, Sandur has reported that though he visited the Village on 10-9-51 he could not contact the petitioner and peruse the connected papers, if any available with him as he seems to be evading his presence. He has however issued Revenue summons to the petitioner and has promised a final reply by 24-9-51, I shall submit my report on this point, soon after the receipt of the Tahsildar's reply.
